<https://www.tekframe.net/>

We "New Facade Technology" are the leading manufacturer and trader of a wide range of UPVC Hinged Window, UPVC Sliding Window, UPVC French Window and UPVC Casement Window.

## About Us

Established in the year **2014**, we "**New Facade Technology**" are the leading **manufacturer** and **trader** of a wide range of **UPVC Hinged Window, UPVC Sliding Window, UPVC French Window** and **UPVC Casement Window**. These products are well tested on various quality parameters. Our professionals also develop these products as per clients and industry demand.

Being a well-known organization in the market, experts also construct these products according to our customer's needs and requirements. To carry out all the operations efficiently, we are backed by a team of skilled professionals which makes sure that all the functions are carried out as per the industry guidelines. These products are precisely manufactured by our skilled professionals using top-grade raw material and sophisticated technologies. For us, our customer's satisfaction is our biggest concern to grow in this niche. Besides, our entire assortment of products is cautiously inspected by quality regulators before dispersing to clients end.

Under the supervision of our mentor **Mr. Rajesh Singh**, we have been successful in delivering a reliable series of products to our clientele. His creativity and business approach help us to serve our customers in the best manner.
